Tell me something fish, I've always felt I would have loved a fishy life. What's it like under water?

Oh it's not so bad!
Funny though, I always felt I would have loved to live in the sky!

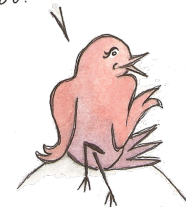

What a fine pair we make, eh fish? I like you, how about we grab a drink tonight?

Now you're speaking my language bird. I don't "drink like a fish" for nothing you know!

Touche fish! Well, I don't "eat like a bird" so if you're gentleman enough to buy this bird dinner, it'll cost you!

Ha-ha-ha!
